

MAP SITE FINDER for Time - Temporary Installations Made for the Environment

www.timenm.com

WELCOME - Art in Public Places of New Mexico Arts sponsored the artists for *TIME: Harmony in The Making*. We are pleased to have permission to exhibit on the Navajo Nation.

When you are in the Navajo Nation, please be courteous to the people and the land. Do not take anything from the land, such as rocks, shards, and earth. Please get permission to photograph, as the elderly consider photography something that takes the spirit away. If you have questions, please contact the Navajo Nation Museum: (928) 871-6675.

The location sites were selected by the Navajo Nation Museum and each site is numbered. This map is designed for the visitor to use a GPS, Smartphone, I Phone, or I-Pad. Once scanned, the QR code provides you with information about the artist, images of the installed site-specific art installation, the site selected, the cultural advisors, and the details about the installation. (A suggested free application for your phone is NeoReader-QR-reader).

FUNDED BY THE ART IN PUBLIC PLACES PROGRAM | NEW MEXICO ARTS DEPARTMENT OF CULTURAL AFFAIRS
